Reviews. I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Setting up a trading ledger isn't very difficult. Just keep it simple, with a column for the date, the company that was bought or sold, the market where you bought. When it does, companies will be able to register, issue and trade to leverage the distributed ledger technology known as the blockchain. Apart from its role in cryptocurrencies like Bitcoin, distributed ledger technologies are being developed to handle stock trades, clear and settle leveraged loans.
