

# Recent Advances in Ophthalmology (Vol.6)

Copyrighted Material  
**Recent Advances in OPHTHALMOLOGY-12**

**Salient Features**

- Contains 16 selected chapters, and 3 editorials
- Latest innovation in the management of cataract—femtosecond laser-assisted cataract surgery
- Present status of phakic IOLs and LASIK
- Use of immunomodulatory agents in the treatment of noninfectious uveitis
- Common pitfalls in the diagnosis of angle-closure glaucoma
- Choroidal imaging using enhanced depth imaging and swept-source optical coherence tomography that provides insight into pathogenesis of many chorioretinal disorders
- Noninvasive imaging of retina using fundus autofluorescence for clinical and research purposes
- Small gauge vitrectomy surgery that has revolutionized the vitreoretinal surgery.

**HV Nema** is has a distinguished academic career and is well known for teaching, researches and publications. He has served as a Consultant Editor/Advisory Editor to Indian Journal of Ophthalmology, Afro-Asian Journal of Ophthalmology and Indian Journal of Optometry. He has published more than 6 dozen papers in the national and international journals. He is an established author in the field of ophthalmology. Ophthalmic Syndromes (Butterworth, London, UK, 1973) and Textbook of Ophthalmology (6th edn, 2012, Jaypee Brothers Medical Publishers, New Delhi, India) are some of his popular books. He has edited 11 volumes of Recent Advances in Ophthalmology and 3 editions of Diagnostic Procedures in Ophthalmology, which were well received by readers and favorably reviewed in Indian and international journals. He has delivered guest-lectures in many universities.

**Nitin Nema** is DNB is an experienced Phaco and Vitreoretinal Surgeon. He did his Fellowship from Aravind Eye Hospital, Madurai, Tamil Nadu, India. He gained clinical and research experience from the University of Illinois at Chicago, and the University of Wisconsin at Madison in the USA. He was awarded a Fellowship by the All India Ophthalmological Society to work on a Project on Uveitis at Sankara Nethalaya, Chennai, Tamil Nadu, India.
